WORLD INVESTOR WEEK 2024

World Investor Week 2024

World Investor Week 2024 was celebrated with great enthusiasm at Government College of Engineering, Bargur, providing students with an excellent opportunity to enhance their understanding of the financial world. The programme featured informative sessions led by experts, who explained various investment options such as stocks, mutual funds, bonds, and fixed-income securities in a simple and practical manner.

The resource persons emphasized the importance of setting financial goals, maintaining financial discipline, and understanding the relationship between risk and return before making investment decisions. Students were also introduced to concepts such as budgeting, saving, diversification, inflation, and the benefits of long-term investing. Special attention was given to the significance of verifying investment opportunities through authorized financial institutions and avoiding fraudulent investment schemes.

Interactive discussions, question-and-answer sessions, and real-life examples made the programme engaging and helped participants better understand the functioning of financial markets. Students actively interacted with the speakers, clarified their doubts, and gained practical insights into personal finance and investment planning.

It encouraged participants to develop sound financial decision-making skills, cultivate a habit of systematic savings, and contribute to building a financially secure future. Overall, the event served as a valuable platform for promoting financial literacy and empowering students with essential knowledge for lifelong financial well-being.

CM TROPHY TOURNAMENT

Government College of Engineering,
Bargur proudly congratulates **Mr. S.
Praneesh, First Year CSE,**

for securing the Zonal Runner position in
Football during the month of October. His
dedication, teamwork, and excellent
performance in the tournament brought
pride to the institution.

The achievement was recognized during the
grand celebrations held at the college,
where students and faculty members
appreciated his commendable effort and
sportsmanship. His success reflects the
growing sports culture and encouragement
provided by the institution.

This accomplishment serves as an
inspiration to fellow students to actively
participate in sports and strive for
excellence alongside their academic
pursuits.

pursuits.

INAUGURATION OF INDOOR STADIUM

The Government College of Engineering, Bargur proudly inaugurated its newly constructed Indoor Stadium on October 24 in a grand and memorable ceremony.

The Honourable Chief Minister graced the occasion through a live video conference and formally declared the stadium open, marking a significant milestone in the institution's development. The event reflected the Government's continued commitment to strengthening sports infrastructure in educational institutions.

An esteemed **Tmt. K.M. Sarayu**, I.A.S officer attended the function as the Chief Guest and addressed the gathering with an inspiring speech.

The dignitary emphasized the importance of sports in building discipline, leadership qualities, and team spirit among students. Faculty members, staff, and students assembled in large numbers to witness the historic moment and extend a warm welcome to the respected guests.

Following the formal inauguration, the celebration continued with enthusiastic participation from students. The atmosphere was filled with excitement and pride as the college community celebrated this remarkable achievement.

The newly inaugurated Indoor Stadium stands as a symbol of progress and opportunity, encouraging students of GCEB to actively engage in sports and strive for excellence at various levels. It is expected to serve as a valuable platform for nurturing sporting talent and promoting a healthy, active lifestyle among the student community. The inauguration of this facility marks another important step in the college's commitment to holistic student development.

AWARENESS PROGRAM ON DRUG

The programme commenced with a warm welcome, followed by an introduction highlighting the significance of creating a drug-free society. The resource persons explained that drug addiction not only affects an individual's physical and mental health but also impacts families, educational institutions, and society as a whole. Students were encouraged to understand the value of self-discipline, positive thinking, and healthy lifestyles.

Various awareness activities were conducted to engage students effectively. The speakers discussed the common causes of substance abuse, such as peer pressure, stress, and lack of awareness, while also suggesting practical ways to overcome these challenges. The session emphasized the importance of seeking guidance from parents, teachers, and counsellors whenever students face emotional or personal difficulties.

The programme also focused on preventive measures, including regular participation in sports, cultural activities, and community service. Students were informed about the importance of maintaining good mental health, building strong friendships, and avoiding situations that could lead to harmful habits. They were encouraged to spread awareness among their peers and actively support campaigns promoting a drug-free environment.

The interactive session allowed students to ask questions and clarify their doubts regarding drug addiction, its consequences, and available support systems. The resource persons provided practical advice and motivated students to become responsible citizens committed to protecting themselves and others from substance abuse.

CANCER AWARENESS PROGRAMME

The programme began with a brief introduction on the growing prevalence of cancer and the importance of creating awareness among young people. The resource person explained that many types of cancer can be prevented or successfully treated if detected at an early stage. Participants were encouraged to undergo regular health check-ups and pay attention to any unusual changes in their health.

The session covered various aspects of cancer prevention, including maintaining a balanced diet, engaging in regular physical exercise, avoiding tobacco and alcohol consumption, and managing stress effectively. The importance of vaccination against certain cancer-related infections and adopting healthy lifestyle habits from an early age was also highlighted.

Informative presentations and real-life examples helped participants understand the emotional, physical, and social challenges faced by cancer patients and their families. The programme also emphasized the need to eliminate misconceptions and social stigma associated with cancer, encouraging empathy, timely medical consultation, and community support.

Students and faculty members actively participated in the awareness programme and appreciated the valuable information shared by the resource person. The interactive question-and-answer session enabled participants to clarify their doubts regarding cancer symptoms, screening methods, and preventive measures. The programme concluded with a vote of thanks and a pledge by the participants to spread awareness about cancer prevention, support early detection initiatives, and encourage healthy living within the community.

NATIONAL SERVICE SCHEMA

The NSS unit of Government College of Engineering, Bargur organized a Campus Cleaning Programme with the objective of promoting cleanliness and environmental responsibility among students.

The initiative aimed to create awareness about the importance of maintaining a clean and healthy campus environment.

NSS volunteers actively participated in cleaning the college premises, including classrooms, corridors, playground areas, and surrounding spaces.

The programme emphasized teamwork, social responsibility, and the importance of contributing towards a sustainable and eco-friendly environment.

The event was successfully conducted with enthusiastic participation from students and guidance from faculty members.

The programme not only improved the cleanliness of the campus but also instilled a sense of civic responsibility and discipline among the volunteers.
