DEGREE OF BACHELOR OF ENGINEERING

This regulation is applicable to the students admitted from the academic year 2025-2026 onwards.

1. PRELIMINARY DEFINITIONS AND NOMENCLATURE

In these regulations, unless the context otherwise requires:

- (i) **“Programme”** means B.E. Degree Programme.
- (ii) **“Branch”** means a discipline or specialization of B.E. Degree Programme like Computer Science and Engineering, Mechanical Engineering etc.
- (iii) **“Course”** means a theory or Practical subject that is normally studied in a semester like Engineering Mathematics, Engineering Mechanics etc.
- (iv) **“Principal and Chairman”** means the authority of the Institution who is responsible for all academic activities for the implementation of relevant rules and regulations.
- (v) **“Controller of Examinations”** means the authority of the Institution who is responsible for all activities of the Semester End Examinations of all departments and hereafter called COE.
- (vi) **“Head of the Department”** means Head of the Under Graduate Programme concerned and hereafter called HOD.
- (vii) **“University”** means ANNA UNIVERSITY, Chennai.

2. ADMISSION

Full Time B.E. Degree Programme	Lateral Entry B.E. Degree Programme	Part Time B.E. Degree Programme
Must have passed the Higher Secondary Examinations of (10+2) Curriculum (Academic Stream) prescribed by the Government of Tamil Nadu with Mathematics, Physics and Chemistry as three of the four subjects of study under Part-III or any examination of any other University or authority accepted by the Syndicate of Anna University as equivalent thereto. (OR)	The candidates who possess the Diploma in Engineering / Technology awarded by the State Board of Technical Education, Tamil Nadu or its equivalent are eligible to apply for Lateral entry admission to the third semester of B.E. as per the rules fixed by Government of Tamil Nadu time to time. (OR)	Qualification: Candidates should have passed any one of the 3 years Diploma Course in appropriate branch of Engineering / Technology of the State Board of Technical Education and Training, Tamil Nadu from an AICTE approved institution or its equivalent. Year of passing Diploma: Candidates should have passed the diploma examination in the relevant branch of specialization atleast two years before the last date prescribed for the Registration of Application.
Should have passed the Higher Secondary Examination of Vocational stream (Vocational groups in Engineering / Technology) as prescribed by the Government of Tamil Nadu.	The candidates who possess the Degree in Science (B.Sc.) (10+2+3 stream) with Mathematics as a subject at the B.Sc. Level are eligible to apply for Lateral entry admission to the third semester of B.E. degree Programme. 3. BRANCHES OF STUDY OFFERED

FULL TIME B.E. DEGREE PROGRAMME	PART TIME B.E. DEGREE PROGRAMME
B.E. Computer Science and Engineering	Branch of study currently being offered by the Institution is B.E. Electrical and Electronics Engineering.
B.E. Electronics and Communication Engineering	
B.E. Electrical and Electronics Engineering	
B.E. Mechanical Engineering	
B.E. Computer Science and Engineering (Cyber Security)	

4. STRUCTURE OF UNDERGRADUATE ENGINEERING PROGRAMME

4.1 CATEGORIZATION OF COURSES

Every B.E. Degree Programme will have a curriculum with syllabi consisting of theory and practical courses with well-defined Programme Outcomes (POs) and Programme Specific Outcomes (PSOs) as per Outcome Based Education (OBE). The content of each course is designed based on the Course Outcomes (COs). The courses of a programme are categorized as follows:

A. Foundation Courses

- (i) **Humanities and Social Sciences Courses (HSC)** include Engineering English, Employability Skills, Engineering Ethics and Human Values, Communication Skills etc.
- (ii) **Basic Sciences Courses (BSC)** includes Mathematics, Physics, Chemistry, etc.
- (iii) **Engineering Sciences Courses (ESC)** includes Engineering Practices, Engineering Graphics, Basics of Electrical / Electronics / Mechanical / Computer Engineering, Instrumentation etc.

B. Professional Core Courses (PCC) includes the core courses relevant to the chosen programme of study.

C. Professional Elective Courses (PEC) includes the elective courses relevant to the chosen programme of study.

D. Open Elective Courses (OEC) includes the courses offered by a branch to other branches, from the list specified in the respective curriculum of Full time B.E. Degree Programme (Not applicable for Part time B.E.).

E. Employability Enhancement Courses (EEC) includes Project Work, Internship, Seminar, Professional Practices, Case Study and Industrial / Practical training etc.

F. Mandatory Courses (MC) prescribed by AICTE / UGC (only for Full time B.E. Degree Programme).

Range of Credits

The recommended distribution of credits for each category is given below:

S. No	Category	Credits (Regular)	Credits (Lateral)	Credits (Part-time)
A.	Foundation Courses	61*	42*	13.5*
	Humanities and Social Science (HSS)	12*	8*	NA
	Basic Science Courses (BSC)	25*	19*	12.0*
	Engineering Science (ES)	24*	15*	1.5*
B.	Professional Core Courses (PCC)	48*	45*	63.0*
C.	Professional Elective courses (PEC)	18*	12*	15.0*
D.	Open Elective Courses (OEC)	18*	9*	NA
E.	Employability Enhancement Course (EEC)	15*	12*	4.5*
F.	Mandatory Courses (MC)	0	0	NA
TOTAL		160*	120*	96*

**Minor variation is allowed as per need of the respective disciplines.*

A range of credits from 160 –172 for a student to be eligible to get Full time Four year Under Graduate degree in Engineering (credits from 119-130 for Lateral Entry) and the total number of credits proposed for the part-time B.E. degree program is 96 - 105.

A student will be eligible to get **Under Graduate degree with Honours or additional Minor Engineering**, if he/she has earned additionally a **minimum of 18 credits**. Students can earn maximum of 6 credits in online mode (SWAYAM platform), out of these 18 credits.

4.2 DEFINITION OF CREDIT

Each course is assigned credits based on the following:

Contact period per week	CREDITS
1 Hr. Lecture (L) per week	1 credit
1 Hr. Tutorial (T) per week	1 credit
1 Hr. Practical (P) per week	0.5 credit

The Curriculum of U.G. Programmes is so designed that the prescribed credits required for the award of degree, which depends on the branch of study, shall be within the limits specified below:

Programme	Prescribed Credit Range
B.E. (Full Time - Regular)	160 - 172
B.E. (Full Time - Lateral Entry)	119 - 130
B.E. (Part Time / EEE)	96 - 105

4.3 PERSONALITY AND CHARACTER DEVELOPMENT

(Applicable only for Full time B.E. Degree Programme)

All the students should enrol on admission in any one of the personality and character development programmes (NSS / NSO / YRC). The training shall include classes on hygiene and health awareness and also training in first-aid.

National Service Scheme (NSS) will have social service activities in and around the College / Institution.

National Sports Organization (NSO) will have sports, games, drills and Physical exercises.

Youth Red Cross (YRC) will have activities related to social services in and around the College / Institution. While the training activities will normally be during weekends, the camp will normally be during vacation period.

Fine Arts Club like music, painting, cultural and documentary films with social themes shall be encouraged.

Science club shall organise activities of popularisation of science and other activities related to astronomy, works of great scientists from India and abroad, observing National Science Day, etc.

Literary Club like 'Tamil Ilakkiya Mandram' shall be formed, which shall organise colourful literary events to propagate good humanist values, morals and ethics reflected in the literature.

4.4 NUMBER OF COURSES PER SEMESTER

Full Time B.E. Degree Programme	Part Time B.E. Degree Programme
Each semester curriculum shall normally have a blend of lecture courses not exceeding 7 Theory courses and Laboratory integrated theory courses and 4 Employability Enhancement Course(s) and Laboratory Courses. However, the total number of courses per semester shall not exceed 10.	Curriculum of a semester shall normally have a blend of 4 or 5 Lecture Courses and Laboratory Courses. In addition, Employability Enhancement Course(s) may also be included. Each course may have credits assigned as per Clause 4.2. However, the total number of courses per semester shall not exceed 5 (including EEC).

4.5 VALUE ADDED COURSES

4.5.1 OBJECTIVES

The main objectives of the Value Added Course are

- ❖ To provide students an understanding of the expectations of industry.
- ❖ To improve the employability skill and inter-disciplinary skills of students
- ❖ To bridge the skill gaps and make students industry ready.
- ❖ To mould students as job providers rather than job seekers.

4.5.2 COURSE DESIGNING

- (1) The department interested in designing a Value Added Course should undertake Training Need Analysis, discuss with the generic employers, alumni and industrial experts to identify the gaps and emerging trends before designing the syllabus. According to the content and target group, the appropriate pedagogical methods should be adopted in the curriculum.
- (2) Any new Value Added Course developed by a department should be placed before the Board of Studies, Standing Committee and approved by the Academic Council.
- (3) The course offered should not be the same as any course listed in the curriculum of the respective programme / or any other programme. A unique course code is to be given for each course.
- (4) The course can be offered only for the students studying semester V and above of UG programmes.

4.5.3 GUIDELINES FOR CONDUCTING VALUE ADDED COURSES

- (1) Value Added Course is not mandatory to qualify for any programme and the credits earned through the Value Added Courses shall be over and above the total credit requirement prescribed in the curriculum for the award of the degree.
- (2) It is faculty assisted learning courses open to all students without any additional fee. However, students shall pay the prescribed examination fee and register along with other courses in that particular semester.
- (3) Classes for a VAC are conducted during the RESERVED Time Slot in a week or beyond the regular class hours. The value added courses may also be conducted during weekends / vacation period. The details of the syllabus, time table and course coordination may be sent to the office of the

Controller of Examinations for approval at least one month before the course is offered.

(4) Industry experts / eminent academicians from other institutions are eligible to offer the Value Added Courses. The course can be offered only if there are at least 5 students opting for it.

(5) The students may be allowed to take value added courses offered by other departments after obtaining permission from Head of the department offering the course.

4.5.4 PROCEDURE FOR REGISTRATION

(1) A student shall register for a Value Added Course offered during the semester by submitting the duly filled in registration form through the concerned Head of the department.

(2) The Head of the department shall segregate according to the choice opted and send it to the Office of the Controller of Examinations.

(3) A student will be permitted to register only one Value Added Course in a semester. Students can take a maximum of two one credit courses / one two credit course during the entire duration of the programme.

4.5.5 DURATION

The duration of Value Added Course is 30 hours with a combination of 18 hours (60%) of theory and 12 hours (40%) of practical. However, the combination of theory and practical shall be decided by the course instructor with the approval of the Head of the department.

The duration of Value Added Course is 15(30) periods of theory or a maximum of theory and laboratory courses and the course can have a maximum of three hours per day. For the one (two) credit courses either 15(30) periods of theory or a combination of theory and laboratory may be offered. Where, 2 periods of laboratory = 1 period of theory.

4.5.6 ASSESSMENT FOR VALUE ADDED COURSES

The one / two credit course shall carry 100 marks and shall be evaluated through continuous assessment only. Two assessments shall be conducted by the department concerned. The total marks obtained in the assessments shall be reduced to 100 marks and rounded to the nearest integer.

A committee consisting of the Head of the department, staff handling the course and a senior faculty member nominated by the Head of the department shall do the evaluation process. The list of students along with the marks and

the grades earned shall be forwarded to the office of the Controller of Examination for appropriate action at least one month before the commencement of semester end examinations. The grades earned by the students for Value Added Courses will be recorded in the Grade Sheet, however the same shall not be considered for the computation of CGPA.

Duration	Credits
15 Hours	1
30 Hours	2

4.6 INDUSTRIAL VISIT

(Only for Full time B.E. Degree Programme)

Every student is expected to undergo one industrial visit every year starting from second semester of the programme, subject to the approval of the Head of the Department and Principal.

4.7 ONLINE COURSES / SELF STUDY COURSES

4.7.1 Students may be permitted to register for online courses during fourth to seventh semester of his / her study. Maximum of four online courses, limited to a total of twelve credits may be permitted with the prior approval of Head of the department, in lieu of open elective / professional elective courses.

The Head of the department shall form a committee with a minimum of three members comprised of HoD, a faculty member from the department of the student and HoD of any other branch of the institution. The committee has to ensure that the student has not studied such courses earlier and would not repeat it again as professional elective / open elective courses. Suitable online courses may be chosen from the NPTEL / MOOC / SWAYAM platform.

4.7.2 On successful completion of the course, he / she has to submit the copy of the certificate to the Head of the department for exemption from registering for an elective course. Based on the recommendation by the team of faculty members nominated by the Head of the department, the student will be awarded grade and credits. The recommendations will be sent to the office of the Controller of Examinations after the approval by the Head of the department.

4.8 OTHER EMPLOYABILITY ENHANCEMENT COURSES

4.8.1 The courses like seminar / case study / mini project has to be considered as purely INTERNAL (with 100% internal marks only). Every student is expected to present a minimum of two seminars per semester before the evaluation committee and for each seminar, marks can be equally apportioned. The

member committee appointed by the Head of the institution, consisting of the course coordinator and two experts for the department, will evaluate the seminar and at the end of the semester, the marks shall be consolidated and taken as the final mark. The evaluation shall be based on the Review I (25%), Review II (25%) and Review III (Report – 30% and Viva- voce Examination - 20%).

4.8.2 The Industrial / Practical Training, Summer Project, Internship, shall carry 100 marks and shall be evaluated through internal assessment only. At the end of Industrial / Practical Training / Internship / Summer Project, the student shall submit an attendance certificate from the organization where he / she had undergone training and a brief report. The evaluation will be made based on this report and a viva-voce examination, conducted internally by a three member departmental committee constituted by the Head of the institution consisting of the course coordinator and two experts from the department. The certificates (issued by the organization) submitted by the students shall be attached to the mark list sent by the Head of the Institution to the Controller of Examinations.

4.8.3 For all the courses under Employability Enhancement Courses Category, except the Project Work, the evaluation shall be done with 100% internal marks and as per the procedure described in clause 4.8.1 / 4.8.2.

4.9 MANDATORY COURSES

(Only for Full time B.E. Degree Programme)

Induction Programme, Constitution of India, Environmental Science and Engineering, தமிழர் மரபு / Heritage of Tamils and தமிழரும் தொழில்நுட்பமும் / Tamils and Technology (the list may change from time to time).

Mandatory courses are awarded grade based upon the Continuous Assessment Marks (Internal mode). Passing of the mandatory courses are a must for awarding the degree.

4.10 MEDIUM OF INSTRUCTION

The medium of instruction, examinations and project report should be in English language.

5. DURATION OF THE PROGRAMMES

5.1 FULL TIME B.E. DEGREE PROGRAMME

(i). Duration of the programme is FOUR years (Eight Semesters) for a student admitted to a programme with qualifications as per clause 2 of the regulations. The student shall successfully complete all the requirements as per the curriculum and regulations of the programme within the above-said duration of 'FOUR' years.

(ii). Duration of the programme is THREE years (Six Semesters) for a student admitted directly to second year (Lateral entry) with qualifications as prescribed in Clause 2 of the regulations. The student shall successfully complete all the requirements as per the curriculum and regulations of the programme within the above-said duration of 'THREE' years.

(iii). Above mentioned period in Clause 5.1 (i) & Clause 5.1 (ii) shall be extended for 'ONE' more year to a student, who is permitted to avail the authorised break of study or opt for dropping of courses, as per the regulations.

(iv). 'Programme Completion' means that a student shall undergo all the courses as prescribed in the respective curriculum and become eligible for appearing in the end semester examination of all the courses within the period as given in Clauses 5.1 [(i), (ii) & (iii)].

(v). After programme completion if there are any arrear course(s), a student shall be permitted to successfully complete the same, within 'SEVEN' years (students admitted under Academic 10 + 2) and 'SIX' years (students admitted under Lateral Entry). This maximum duration for successful completion shall be reckoned from the commencement of first semester of the programme.

(vi). In case of a student prevented from appearing in the end semester examination in all the courses of a semester due to shortage of attendance, the period of prevention shall be treated as a break in the programme. In such a case, total duration for completing the programme including all such prevention periods shall not exceed the above-said 'SEVEN' years (students admitted under Academic 10 + 2) and 'SIX' years (students admitted under lateral entry).

(vii) Each semester shall normally consist of 75 working days 8 periods per day. The Head of the institution shall ensure that every faculty imparts instruction as per the number of periods specified in the syllabus and that the faculty teaches the full content of the specified syllabus for the course being taught.

- (viii) The total period for completion of the programme reckoned from the commencement of the first semester to which the student was admitted shall not exceed the maximum period specified in clause 5.1 irrespective of the period of break of study (vide clause 20) in order that he / she may be eligible for the award of the degree (vide clause 15).
- (ix) For the purpose of regulations, the academic year will be divided into two Semesters, the odd semester normally spanning from June to November and the even semester from December to May.

5.2 PART TIME B.E. DEGREE PROGRAMME

- A student is normally expected to complete the Part-time B.E. Programme in 3 ½ years (7 Semesters) but in any case not more than 6 ½ years (13 Semesters).
- Each semester shall normally consist of 75 working days. The HOD shall ensure that every teacher imparts instruction as per the number of contact periods specified in the syllabus covering the full content of the syllabus for the course being taught.
- The total duration for completion of the programme reckoned from the commencement of the first semester to which the student was admitted shall not exceed the maximum duration irrespective of the period of break of study or prevention in order that the student may be eligible for the award of the degree.

6. COURSE REGISTRATION

6.1 The Head of the department is responsible for registering the courses that each student is proposing to undergo in the ensuing semester.

- Registration by a student is mandatory for all the courses in the current semester and all arrear(s) course(s) for the semester end examinations failing which, the student will not be permitted to move to the higher semester. The registration details of the student shall be approved by Head of the department and forwarded to the Controller of Examinations.

The courses that a student registers in a particular semester may include

- i. Courses of the current semester and all arrear(s) course(s).
- ii. Courses for credit transfer
- iii. Department Specific Requirement Courses
- iv. Value Added Courses

- **The maximum number of credits that can be registered in a semester is 36.** However, **this does not include** the number of **Re-appearance (RA)** and **Withdrawal (W)** courses registered by the student for the appearance of Examination.

- If a student fails to secure a pass in a theory course / laboratory course (except electives), the student shall register and appear only for the semester end examination in the subsequent semester.

In such case, the internal assessment marks obtained by the student in the first appearance shall be retained and considered valid for all subsequent attempts till the student secures a pass.

However, from the third attempt onwards if a student fails to obtain pass marks (IA + Semester End Examination) as per clause 12.1, then the student shall be declared to have passed the examination if he / she secures a minimum of 50% marks prescribed for the autonomous semester end examinations alone.

- A student who has already appeared for any course in a semester and passed the examination is not entitled to register and reappear in the same course for improvement of grades.

6.2 FLEXIBILITY TO ADD OR DROP COURSES

- A student has to earn the total number of credits specified in the curriculum of the respective programme of study in order to be eligible to obtain the degree.

- From the second to final semesters, the students have the option of dropping existing courses in a semester or add additional theory courses during registration with the guidance of faculty advisor and approved by Head of the department.

The student is permitted to add/drop the course(s) within 30 days of the commencement of the academic schedule.

6.3 CHOICE OF PROFESSIONAL ELECTIVE COURSES

The Professional Elective Courses are listed in the Curriculum in Table format as verticals (Specialisation groups). A student can choose all the Professional Electives Courses either from one of the verticals or a combination of courses from all verticals in a semester.

7. REQUIREMENTS FOR APPEARING FOR THE SEMESTER END EXAMINATION

A student who has fulfilled the following conditions shall be deemed to have satisfied the requirements for completion of a semester and eligible for appearing for semester end examinations.

Full Time B.E. Degree Programme	Part Time B.E. Degree Programme
Ideally every student is expected to attend all classes of all the courses and secure 100% attendance.	
Students with overall attendance percentage not less than 75% (after rounding off to the nearest integer) are eligible for appearing in the semester end examination.	Students with overall attendance percentage not less than 75% (after rounding off to the nearest integer) are eligible for appearing in the semester end examination.
Students with overall attendance percentage between 65% and 74% are not eligible for appearing in the semester end examination. However , in order to give provision for certain unavoidable medical reasons (prolonged hospitalization / accident / specific illness) /Participation in Sports events / Camp , may be permitted to appear for the current semester examinations subject to the condition that the candidate should submit the medical certificate / sports participation certificate (immediately after taking leave of absence) attested by the Head of the Institution. However , in order to give provision for certain unavoidable medical reasons (prolonged hospitalization / accident / specific illness), may be permitted to appear for the current semester examinations subject to the condition that the candidate should submit the medical certificate (immediately after taking leave of absence) attested by the Head of the Institution.
Students those who got prior permission from the Head of the Department for participating in any other College / University / State / National / International Level Sports events / NSS, NCC camp / Training at industries and higher learning institutions shall only be considered to apply for condonation. Condonation can be allowed only two semesters during the entire course of study.	Not Applicable
Students with less than 65% attendance are not eligible to write the semester end examination. The student has to re-join the programme.	Students with less than 65% attendance are not eligible to write the semester end examination. The student has to re-join the programme.

8. FACULTY ADVISOR

There shall be a faculty advisor for each class appointed by the Head of the department concerned. The faculty advisor will be one among the course - instructors of the class. The faculty advisor is the ex-officio member and the Convener of the class committee. The responsibilities for the faculty advisor are as follows:

- To act as the channel of communication between the HOD and the students of the respective class.
- To collect and maintain various statistical details of students.
- To help the chairperson of the class committee in planning and conduct of the class committee meetings.
- To monitor the academic performance of the students including attendance and to inform the class committee. Faculty advisors should take utmost care that student availing leave or on-duty for **medical reasons** (enclose medical certificate)/ participation in **sports / camp** (selection letter), has to submit permission letter to the Principal through the respective Head of the Department.
- To attend to the students welfare activities like awards, medals, scholarships and industrial visits. If necessary, may also discuss with or inform the parents about the progress of the students through Head of the Department or in Parent – Teacher meeting.

9. ACADEMIC COMMITTEE

9.1 CLASS COMMITTEE

The objective of the Class Committee is to improve the teaching - learning process. The functions of the class committee include:

- Resolving difficulties experienced by students in the classroom and in the laboratories.
- Clarifying the regulations of the degree programme and the details of rules therein.
- Discussing the progress of academic schedule and deviations if any.
- Evaluating the performance of the students of the class after each test and finding the ways and means of improvement.
- Class committee comprises of faculty members who are teaching in that class, student representatives (cross section of students from boys and girls) and Head of the department.

- The class committee shall meet three times in a semester as specified in the academic calendar.
- During these meetings, the representative of the class shall meaningfully interact and express the opinions and suggestions of the other students of the class to improve the effectiveness of the teaching-learning process.
- The Chairperson is required to prepare the minutes of the meeting, signed by the members and submit the same to the Principal, within 10 working days of the meeting.
- Committee Chairperson shall display the cumulative attendance particulars of each student on the Notice Board at the end of every such meeting to enable the students to know their attendance details to satisfy the clause 7 of this Regulation.
- In each meeting, the action taken report of the previous meeting is to be presented by the Chairperson of the class committee.

9.2 ATTENDANCE AND ASSESSMENT RECORD

Every teacher is required to maintain the record of class work (Class Record) separately for each Course for every semester consisting of attendance, assessment marks and topics covered. This should be submitted to the HOD periodically (at least three times in a semester) for checking the syllabus coverage and the records of assessment marks and attendance. The HOD will affix his/her signature and date after due verification. At the end of the semester, the record should be verified by the HOD who shall keep this document after the approval from the Principal in safe custody for eight years.

Marks will be awarded for student's attendance in 'EACH' course and the distribution of marks is given below:

(%)	80 – 85%	86 – 90%	91 – 95%	Above 95%
Marks	1	2	3	5

9.3 PERFORMANCE ASSESSMENT COMMITTEE

The Performance Assessment Committee comprises of the IQAC Coordinator, senior faculty members and Head of Department. This committee shall meet to assess the attainment of Course Outcomes and Program Outcomes, progress and status of the students of the semester concerned at the beginning and end of the semesters. The committee can invite Faculty mentors and students as invitees.

10. SYSTEM OF EXAMINATION

- 10.1** Performance in each course of study shall be evaluated based on
(i) Continuous internal assessment throughout the semester and
(ii) Terminal examination at semester end.
- 10.2** Each course, both theory and practical (including project work & viva voce examinations) shall be evaluated for a maximum of 100 marks.
- For all theory courses, the continuous internal assessment will carry **40 marks** while the End Semester University examination will carry **60 marks**.
 - For all theory courses with Laboratory component, the continuous internal assessment will carry **50 marks** while the Semester End examination will carry **50 marks**.
 - For all laboratory courses, the continuous internal assessment will carry **60 marks** while the End Semester University examination will carry **40 marks**.
 - The continuous internal assessment for the project work will carry **60 marks** while the End Semester University examination will carry **40 marks**.
- 10.3** Industrial Training and Seminar shall carry 100 marks and shall be evaluated through internal assessment only.
- 10.4** Mandatory Courses are evaluated through internal mode and grades are awarded based on internal assessment only.
- 10.5** The terminal examination (theory and practical) of 3 hours duration shall ordinarily be conducted between October and December during the odd semesters and between April and June during the even semesters.
All Practical examinations shall be conducted and evaluated at the Department itself on behalf of the Controller of Examinations.
- 10.6** The autonomous examination for Project Work shall consist of evaluation of the final report submitted by the student or students of the project group (of not exceeding 4 students) by an external examiner and an internal examiner, followed by a viva-voce examination conducted separately for each student by a committee consisting of the external examiner, the supervisor of the project group and an internal examiner.
- 10.7** For the terminal examination of practical courses including Project work, the internal and external examiners shall be appointed by the Controller of Examinations.

10.8 Identity card/Hall ticket of the college must be produced at the time of terminal examination. Any student fails to produce Identity card / Hall ticket shall be levied a spot fine by the Chief Superintendent/ Examiners.

2	0	4	4	Theory (25%)	Lab (25%)	Theory (15%) Lab (35%)

The procedure for the conduct of internal assessments for theory and laboratory components shall be as per the clause 11.1 and 11.2 respectively.

**The weighted average shall be converted into 50 marks for Internal Assessment.*

11.4 PROJECT WORK

11.4.1 The student shall register for Project Work-I in pre-final semester and Project Work-II in final semester. Project work may be allotted to a single student or to a group of students not exceeding 4 per group. Project Work-II may / may not be a continuation of Project work – I. If Project work – II is not a continuation of Project works – I, then the topic and constitution of the project team members need not be the same.

11.4.2 Project Work shall be carried out under the supervision of a “qualified teacher” in the department concerned. In this context “qualified teacher” means the faculty member possessing (i) PG degree or (ii) Ph.D. degree.

11.4.3 The Project Work-II carried out in industry/academic/research institutions need not be a continuation of Project Work-I. In such cases, the Project Work-II shall be jointly supervised by a supervisor of the department and an expert as a joint supervisor from the organization and the student shall be instructed to meet the supervisor periodically and to attend the review committee meetings for evaluating the progress. The review meetings, if

necessary, may also be arranged in online mode with prior approval from the Head of the department and suitable record of the meetings shall be maintained.

11.4.4 The Head of the department shall constitute a review committee for Project Work for each programme. The review committee consists of supervisor, an expert from the department and a project coordinator from the department. If the project coordinator/expert member happens to be the supervisor, then an alternate member shall be nominated. In the case of Industrial Project, the review committee shall have the supervisor, the coordinator from industry and the project coordinator from the department. There shall be three reviews during the semesters VII and VIII by the review committee. The student shall make presentation on the progress made by him / her before the committee.

11.4.5 The project report shall carry a maximum of 20 marks. Same marks shall be awarded to every student within the project group for the project report. The viva-voce examination shall carry 20 marks. Marks are awarded to each student of the project group is based on the individual performance in the viva-voce examination.

Continuous Assessment(60)			End – Semester Examinations(40)			
Review-I	Review-II	Review-III	Project Thesis Report Evaluation		Viva Voce Examination	
			Guide	External	Internal	External
10	20	30	10	10	10	10

11.4.6 The last date for submission of the project report is on the last working day of the semester. If a student fails to submit the project report on or before the specified deadline or the student has submitted the project report but did not appear for the viva-voce examination, it will be considered as fail in the Project Work and the student shall re-register for the same in the subsequent semester.

12. PASSING REQUIREMENTS

12.1 A student who secures not less than 50% of total marks prescribed for the course [Internal Assessment + semester End Examinations] with minimum of 45% of the marks prescribed for the semester end Examination, shall be declared to have passed the course and acquired the relevant number of credits. This is applicable for both theory and laboratory courses (including project work).

12.2 If a student fails to secure a pass in a theory course / laboratory course, the student shall re-register and appear in the subsequent semester. In such case, the internal assessment marks obtained by the student in the first appearance shall be retained and considered valid for all subsequent attempts till the student secures a pass. However, from the third attempt onwards if a student fails to obtain pass marks (IA + End Semester Examination) as per clause 12.1, then the student shall be declared to have passed the examination if he/she secures a minimum of 50% marks prescribed for the autonomous semester end examinations alone.

For all integrated course papers a student shall secure a minimum 45% of marks in the end semester examination and also obtain a minimum 50% marks in total combining both Continuous assessments and End semester examination.

12.3 If the course, in which the student has failed, is a Professional Elective or an Open Elective course, the student may be permitted to complete the same course. In such case, the internal assessment marks obtained by the student in the first appearance shall be retained and considered valid for all subsequent attempts till the candidate secures a pass.

If any other Professional Elective or Open Elective course is opted by the student, the previous registration is cancelled and henceforth it is to be considered as a new Professional Elective or Open Elective course. The student has to register and attend the classes, earn the continuous assessment marks, fulfil the attendance requirements as per clause 7 and appear for the end semester examination.

12.4 If a student is absent during the viva - voce examination, it would be considered as fail. If a student fails to secure a pass in Project Work-I, the student shall register for the course again in the subsequent semester and can do Project Work-I and II together.

12.5 REVALUATION

12.5.1 OPEN DAY

To improve the transparency in valuation of answer scripts, Open day has been introduced for valuation clarification. On this day, the students can view their corrected answer scripts in the presence of Principal and Chairman, CoE, Head of the departments, Subject expert/Course instructor handled the respective course.

If the student needs clarification in valuation, he / she can apply for revaluation. If a student is unable to attend the valuation open day, he / she will not be given another opportunity.

12.5.2 REVIEW

Students not satisfied with Revaluation can apply for Review of his/ her examination answer paper in a theory course, within the prescribed date on payment of a prescribed fee through proper application to the Controller of Examinations through the Head of the Institution. Students applying for Revaluation only are eligible to apply for Review.

13. AWARD OF LETTER GRADES

13.1 The award of letter grades will be decided based on absolute grading principle. The absolute grading is applicable to ONLY those students who have passed the examination as per the passing requirements enumerated in clause 12.

Academic Performance	Letter Grade	Grade Points	REMARKS
91% - 100%	S (Outstanding)	10	PASS
81%-90%	A + (Excellent)	9	PASS
71% - 80%	A (Very Good)	8	PASS
66% - 70%	B+ (Good)	7	PASS
61% – 65%	B (Above Average)	6.5	PASS
56% - 60%	C+ (Average)	6	PASS
50% – 55%	C (Satisfactory)	5	PASS
< 50%	U (RA: Re-appearance)	0	FAIL
-	WC (Withdrawal)	0	-

Grade	Description	Grade Points
S	Outstanding performance with respect to course learning objectives; exhibits original and creative thinking, and demonstrates the ability to analyze critically and synthesize information	10
A+	Excellent performance with respect to course learning objectives and creative thinking	9
A	Very Good achievement with respect to course learning objectives	8
B+	Good achievement with respect to course learning objectives	7
B	Above Average achievement with respect to course learning objectives	6.5
C+	Average achievement with respect to course learning objectives	6
C	Satisfactory achievement	5

U	Re-appearance	0
WC	Withdrawal of Course	0

13.2 A student is

deemed to have passed and acquired the corresponding credits in a particular course if he/she obtains any one of the following grades:

“S”, “A+”, “A”, “B+”, “B”, “C+”, “C”.

“U” denotes that the student has failed to pass in that course. “WC” denotes **withdrawal** from the exam for the particular course. The grades “U” and “WC” will figure both in the Grade Sheet as well as in the Result Sheet. In both cases, the student has to appear for the semester end examinations as per the Regulations.

If the grade “U” is given to **Theory Courses/ Laboratory Courses**, it is **not required to satisfy the** attendance requirements (vide clause 7), but has to appear for the semester end examination and fulfil the norms specified in clause 14 to earn a pass in the respective courses.

If the grade “U” is given to **EEC course (except Project Work)**, which are **evaluated only through internal assessment**, the student shall register for the course again in the subsequent semester, fulfil the norms as specified in clause 15 to earn pass in the course. However, attendance requirement need not be satisfied.

13.3 The grades “S”, “A+”, “A”, “B+”, “B”, “C+”, “C” obtained for the one/two credit course (not the part of curriculum) shall figure in the Grade Sheet under the title ‘**Value Added Courses/Internship/Industrial training**’. The courses for which the grades obtained are U, SA **will not figure in the Grade Sheet**.

Range of Marks for grading of NPTEL Courses

S	A+	A	B+	B	C+	C	U
91 – 100	81 – 90	71-80	61 – 70	51 – 60	46-50	40 – 45	<40

14. GRADE SHEET

After results are declared, Grade Sheets will be issued to each student which will contain the following details:

- The College in which the student has studied
- The list of courses registered during the semester and the grade scored
- The Grade Point Average (GPA) for the semester and

- The Cumulative Grade Point Average (CGPA) of all courses enrolled from first semester onwards.

GPA for a semester is the ratio of the sum of the products of the number of credits acquired for courses and the corresponding points to the sum of the number of credits acquired for the courses in the semester. CGPA will be calculated in a similar manner, considering all the courses registered from first semester. U grades will be excluded for calculating GPA and CGPA.

$$\text{GPA / CGPA} = \frac{\sum_{i=1}^n C_i \text{GP}_i}{\sum_{i=1}^n C_i}$$

where 'C_i' is the number of Credits assigned to the course,

'GP_i' is the point corresponding to the grade obtained for each course,

'n' is number of all courses successfully cleared during the particular semester in the case of GPA and during all the semesters in the case of CGPA.

15. ELIGIBILITY FOR THE AWARD OF THE DEGREE

A student shall be declared to be eligible for the award of B.E. Degree provided the student has
