

NATIONAL SERVICE SCHEMA

December 2024

The NSS unit of Government College of Engineering, Bargur organized a Campus Cleaning Programme with the objective of promoting cleanliness and environmental responsibility among students. The initiative aimed to create awareness about the importance of maintaining a clean and healthy campus environment. NSS volunteers actively participated in cleaning the college premises, including classrooms, corridors, playground areas, and surrounding spaces.

NSS volunteers actively participated in cleaning the college premises, including classrooms, corridors, playground areas, and surrounding spaces. The programme emphasized teamwork, social responsibility, and the importance of contributing towards a sustainable and eco-friendly environment.

CANCER AWARENESS PROGRAMME

December 2024 [Venue: College Auditorium]

A Cancer Awareness Programme was conducted to educate students and staff about the importance of early detection, prevention, and healthy lifestyle practices. The session highlighted common types of cancer, warning signs, risk factors, and the significance of regular medical check-ups. The programme aimed to spread awareness, remove myths, and encourage everyone to prioritize their health. The event concluded with an interactive session where participants clarified their doubts and pledged to promote cancer awareness in their community.

CM TROPHY TOURNAMENT

October, 2024

Zonal Runner-Up in Football

Government College of Engineering, Bargur, proudly congratulates Mr. S. Praneesh, First Year CSE, for securing the Zonal Runner-Up position in Football during October 2024. His outstanding performance, dedication, and teamwork brought pride to the institution. The achievement was recognized during the college celebrations, inspiring fellow students to actively participate in sports and pursue excellence in both academics and athletics.

Zonal Runner-Up in Handball

Government College of Engineering, Bargur, proudly congratulates Mr. B. Yugabharathi, First Year CSE, for securing the Zonal Runner-Up position in Handball during October 2024. His dedication, determination, and outstanding performance brought pride to the institution. The achievement was recognized during the college celebrations, inspiring fellow students to actively participate in sports and excel in both academics and athletics.

INAUGURATION OF INDOOR STADIUM

October, 2024

The Government College of Engineering, Bargur proudly inaugurated its newly constructed Indoor Stadium on October 24 in a grand and memorable ceremony.

The Honourable Chief Minister graced the occasion through a live video conference and formally declared the stadium open, marking a significant milestone in the institution’s development.

An esteemed Tmt. K.M. Sarayu, I.A.S., attended the function as the Chief Guest and addressed the gathering with an inspiring speech.

The dignitary emphasized the importance of sports in building discipline, leadership qualities, and team spirit among students. Following the formal inauguration, the celebration continued with enthusiastic participation from students, and the atmosphere was filled with excitement and pride. The newly inaugurated Indoor Stadium stands as a symbol of progress and opportunity, encouraging students of GCEB to actively engage in sports and strive for excellence at various levels.

AWARENESS PROGRAM ON DRUG

December 20, 2024 [Venue: College Auditorium]

An awareness program focusing on building a drug-free society was conducted at Government College of Engineering, Bargur, Krishnagiri. The event aimed to educate students about the harmful effects of drug abuse and the importance of making responsible life choices.

During the session, faculty members and organizers explained the physical, psychological, and social consequences of substance abuse. Students were encouraged to stay disciplined, focus on their academic goals, and contribute positively to society. The program also highlighted the role of youth in creating awareness and supporting government initiatives against drug misuse.

The program concluded with a group interaction session, reinforcing the message that awareness, unity, and responsibility are essential in building a better future.
